Chapter 1 by Hailzb8

Crimson eyes scanned the poorly lit room as the young woman made her way to the spot where she was to meet her half-brother. She knew not to let her guard down and she could feel eyes following her. It unnerved her not knowing who was watching her. She moved with more haste to get out of there before whoever was tailing her. She was just about out of there.

"Ayane!" A familiar voice sounded from behind her. Turning she was met with a green eyed super ninja.

Chapter 2 by Hailzb8

Ryu had been following Ayane for some time. It was what Hayate had asked of him just in case something happened to her, Ryu would be there to step in and protect her. She was becoming more aware of the fact someone was tailing her and it was starting to spook the young woman. She was almost out of the building when Ryu decided to reveal himself as the one who was following her. He dropped down from where he had been. His landing silent.

"Ayane!" He said from where he stood behind her. He smiled as she turned to him. He could see the shock in those crimson eyes as they met his own green ones. "Master Ryu, what are you doing here?"

Ayane was shocked to see Ryu Hayabusa. Had he been sent to follow her by her half brother, Hayate or was there another reason for him tailing her? Her crimson eyes held his green eyed gaze as she waited for any explanation from the Dragon Ninja.

"Hayate requested I follow you. The reason I believe is he is overly protective of his younger half sister." Was the words of explanation given.

"You know you didn't have to follow me just because your best friend requested you to, right?" Ayane responded coolly.

"I didn't follow you just because of Hayate, Ayane. Surely you know that. " came in response which made Ayane's eyes widen once again.

"But I don't know that, Master Ryu. What other reason did you have to follow me here?"

"I love you Ayane. That was what made me follow you, not just some request from my best friend. "
